Phone: (248) 403-4053 | Email: augenrabin@protonmail.com | Location: Detroit, MI

PROFESSIONAL SUMMARY

Highly motivated Software Engineering student with a strong foundation in HTML, CSS, and object-oriented programming. Proven track record of academic excellence and a passion for tackling complex problems in software development. Eager to apply knowledge gained through coursework to real-world projects.

EXPERIENCE

So far, I have no real work or volunteer experience, but I have worked on some relevant academic/personal projects of mine. For example:

Academic Projects:
- Developed a [basic Tic-Tac-Toe website](#) using HTML, CSS, & JavaScript w/responsive design.
- Worked with GitHub workflows.
- Developed Java-related projects, such as a basic 2D array maze with Java SceneBuilder.

Personal Projects:
- [Contributed to GitHub projects](#).

SKILLS

Technical skills:
- HTML & CSS
- JavaScript (and a little bit of the Node.js framework)
- Java (still quite learning the basics)
- Version Control Systems (Git)
- Object-Oriented Programming principles (C++ & Java)
- Data Structures and Algorithms
- Database Management (MySQL using PHPmyAdmin)
- Mobile App Development (currently taking as a course)

Soft Skills:
- Problem-solving and Troubleshooting
- Teamwork and Collaboration
- Communication (both written and verbal)
- Time Management and Organization
- Attention to Detail
- Adaptability and Learning Agility

EDUCATION

Oakland Community College, Royal Oak, MI
Major: Associate degree in Software Engineering
Alternate degree: Associate in Arts
Expected Graduation Date: December 2023
Relevant coursework: HTML & CSS, JavaScript, Object-Oriented Programming (both C++ and Java), Data Structures (Java), PHP databases, & Android App Development
Awards and Honors: Dean's List Winter 2023

CERTIFICATIONS

- System Analysis and Design course certificate, uCertify – 2022
- FANUC CERT HandlingTool Operations and Programming, FANUC Robotics - 2019
